FOLEY&COX

A premier interior design firm, foley&cox is recognized for its style and versatility. With extensive experience in luxurious residential projects, yachts and private aircraft, the firm's distinctive yet approachable interiors have appeared in discerning locations including Manhattan, the Hamptons, Hyannisport, the Gulf Coast, Big Sky, Hawaii, Monaco, the Bahamas, Moscow, and Austria.

The firm of foley&cox maintains the highest standards of collaboration between client and architect to assure fit — not just for a particular environment, but for those occupying it as well. The designers give extensive attention to detail, and incorporate the broadest spectrum of materials. Believing that creating comfortably luxurious living environments is achieved through a keen understanding of each client, foley&cox interprets lifestyles and personalities, creating highly-individualized interiors. The result is a serene space infused with the client's personal style.
